

# Options Baby Bottle Campaign

## Money Counting Game for Kids

You can help us take care of women and babies by putting your change in one of our baby bottles. Learn about coins and how to count them. Find each of the below coins in your bottle and use them to count the amounts on the other side of this page. Before you return your bottle to the church, count all the coins so you can celebrate how much you donated to Options!

Canadian coins are made by the "Royal Canadian Mint". They no longer make the penny but we still may find some and put them in our bottles.

1 cent

penny

5 cents

nickel

10 cents

dime

25 cents

quarter

1 dollar

loonie

2 dollars

toonie

Add the coins.
